- 14th—Intermediate Interschool sports
- 19th—21st— Year 10 Science Camp
- 28th—House Athletic sports
- 31st—Year 7 (all) & year 9 (boys) immunisations

As part of the Year 10 Pathways Program, the “Keys Please” learner driver session was presented by VicRoads on Tuesday, 25 February. The session helped students to understand how to become safe drivers and emphasised that supervising drivers (parents, older brothers/sisters, uncles, aunts, and guardians) have a very important role in providing the practical driving experience for students to learn how to drive. VicRoads states that: “learners who gain an average of 120 hours of supervised on-road experience in all conditions have a 30% lower risk of crashing after getting a licence”. Information and tips on supervising learner drivers is available at: [www.vicroads.vic.gov.au/supervisors](http://www.vicroads.vic.gov.au/supervisors).
