ANNOUNCEMENTS

Student accident insurance / Ambulance cover arrangements and private property brought to school.

Please be aware the Department does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have student accident insurance / ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance / transport and any other transport costs.

The Department cannot advise parents / guardians on whether to purchase a student accident policy/ambulance cover, or which policy to purchase. It is recommended that they seek assistance in this matter with their insurance broker or find a suitable personal accident insurer in the Yellow Pages or online.

Personal property is often brought to school by students, staff and visitors. This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises. As the Department does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property, students and staff are discouraged from bringing any unnecessary or particularly valuable items to school.
