Issue 4—March 2014

YEAR 8 CAMP
MESSAGE FROM THE PRINCIPAL

BREAKING NEWS: Lara Secondary College goes to FACEBOOK
If you would like to join in the celebrations of our great school please "like" our Facebook page at www.facebook.com/LaraSecondaryCollege. The purpose of this page is to highlight achievements and news from around our College. Positive comments are most welcome to add to our celebration.

Please continue to contact the Principal team or your child’s TLC/Pathways teacher via phone or email if you have feedback or specific concerns about any aspect of our program.
We currently have over 100 likes and lots of celebrations to view!

Interim Reports: Families and our school working together
As we move all too quickly towards the end of term our teachers are finalizing interim reports. These reports are an important indicator of how your child is applying themselves to their school work in general and to individual subjects.

If you would like to visit the school to see us in operation and witness our work for yourself, you are welcome to join our Open Day morning sessions on May 6th or May 8th prior to our Year 7 Information Evening for 2015 on May 13th. There is information regarding the sessions available on our website and details will follow in future College Times. We would love to see you there!

Lyn Boyle—Principal
boyle.lynn.c@edumail.vic.gov.au

college calendar

MARCH
25th Yr 12 Top Designs Excursion
25th-26th Yr 9 (P,Y,G,B) Connections Physical Challenges
27th Yr 9 Red Connections Overnight Hike

APRIL
3rd Last Day of Term for Students
4th Parent Teacher Interviews
22nd 1st Day of Term 2
25th Anzac Day Public Holiday

VOLUNTEERS NEEDED
Our friendly Canteen Ladies would like some Volunteers to please help out in the canteen from 9–11 during the week.
If you would like to help out please contact Kerry Brown our Canteen Manager on 5282 8988

STUDENTS

Bottles of water in the canteen are still available for just $1!

Young Women’s Leadership Academy
I am very lucky and excited to be representing our school at the UBS Young Women’s leadership Academy. I will be there from Monday the 7th of April until Saturday the 12th of April.

The trip is all expenses paid, and I will be staying at the Women’s College in Sydney. I am extremely lucky to have been picked for this program as only 50 year 11 girls have been picked to take part, and only 22 of those are from Victoria. I have been given an itinerary that includes some of the things I will be doing across the 6 days I am there, a few of them being lectures about goal setting and motivation, social media, ethical leadership, and I also get to visit the Art Gallery of NSW.

-Megan.
ASSISTANT PRINCIPALS’ REPORT

Assistant Principal News

As the end of term approaches it tends to become obvious that the organisational skills of the students can at times be left lacking, overwhelming them with due dates, outcomes and SACs that they were not as prepared for as possible. Please ensure your child has access to an organisational tool, whether an old fashioned diary or an electronic calendar that they can record and check their deadlines. This type of organisational tool can reassure motivated and hardworking students that they are prioritising effectively and focusing their efforts in the most productive manner. For other students, an organisational tool can help them keep track of what they need to do, and to remind them that effort made outside of class through completion of homework and study is crucial for success at school. As a parent, your support is invaluable, through the conversations you have with your child about what they have coming up and what work they need to do at home.

If your child is struggling with their organisation, and in breaking down tasks into more manageable smaller tasks, please encourage them to make contact with their TLC or Pathways teacher so that they can be provided with strategies and tools for making this process easier and a little less stressful. If this is something your child is reluctant to follow up, feel free to make contact with the teacher yourself so that this can be encouraged at school.

Year 7 Parents Welcome Evening

We would love to see all our Year 7 families at the Year 7 Parents Welcome Evening being held this Monday, 24th March starting at 6pm.

Not only is this a chance for you to meet with the teachers of your child, but to also celebrate your child’s start into secondary schooling and the amazing transition they have made. Presentations will be made during the evening by students, and photos of the highlights of the term will be on display. It is a wonderful opportunity for our parents to see the incredible work being completed and the achievements of the students, and to reminisce over the ‘good old days’ of when we were at school and see how much education has changed.

Immunisations

All Year 7 students and the Year 9 boys will be having their immunisations on Monday, 31st March. If you were unable to return your consent form or have changed your mind about your immunisation preference, please contact Barwon Health who has been provided with all the completed documentation completed by each family. The school does not retain any of this information.

Parent Teacher Interviews

In Week 10 of Term 1 on Thursday April 3rd and Friday April 4th, we will be holding our Student/Parent/Teacher Interviews. All bookings will be made via the online booking system, which can be found at http://www.schoolinterviews.com.au/. The Code to access the interviews is: GQ3MF

Ten minute interviews can be booked with your child’s teachers using the online system. Students will be required to attend classes as usual on Thursday, but will not have classes on Friday.

For parents of students in Year 7 and 8: You are asked to a time slot with the pair of teachers that are your child’s core teachers. These teachers will appear both individually and as a pair. Please choose the pair only.

The pairs are:
7 Red and 7 Yellow: Anita Jaboor and Sarah King
7 Orange and 7 Purple: Sarah Foley and Nick Owusu
7 Blue and 7 Green: Aaron Malcolm and Tracy van Gemert
8 Blue and 8 Green: Scott Thompson and Lucy Collins
8 Orange and 8 Purple: Ariana Nickou and Dan Pardalis
8 Red is with Kane Dougherty only.

For individual classes beyond the Year 7 and 8 Program taught by these teachers, please select the individual teacher only.

Year 8 Camp

Last week, the Year 8 students had a fantastic 3 days at Camp Wilkin, Anglesea. Students participated with enthusiasm in all activities, the highlight for many being Surfing at Anglesea Surf Beach. Students had the opportunity to challenge themselves and try something new. New friendships were formed and colour groups worked together on a number of initiative activities involving teamwork.

During the camp, students demonstrated the College values of Teamwork, Commitment, Respect and Excellence. Teachers had the opportunity to nominate students who lived our values, to receive a star. These students were:

- Jacobb, 8P- For demonstrating commitment on the High Ropes Course
- Ben, 8G- For demonstrating great teamwork skills and respect to staff and students at all times
- Billy, 8B- For being respectful to both staff and students at all times
- Ronan, 8O- For demonstrating commitment and teamwork skills during the initiative activities
- Lily-Anne, 8R- For demonstrating respect and ensuring all students were included at all times
- Chelsea, 8R- For demonstrating commitment when activities were challenging
- Josh, 8B- For demonstrating respect, commitment and teamwork at all times
- Emily, 8B- For demonstrating respect at all times
- Maggie, 8B - For demonstrating respect at all times

Lucy Collins, Year 8 Program Leader

School Levy Payment Plan

As the start of year can be a little daunting financially for families, we are offering payment plans for 2014 Booklist Levies. If you would like to commence a payment plan now to ease into the year, by making small regular payments over a period of time, please contact Karen Wilson or Shirley Niblett in the College office to fill in the Payment Plan Form and commence payments.

Options include BPAY, cash, EFTPOS, credit card, cheque or Centrepay.
YEAR 10 OUTDOOR EDUCATION: Water Safety and Surfing

It’s been an exciting start to the year for students involved in the Year 10 Outdoor Education program. Team Building was a major focus during the first few lessons with students working through a range of school based initiative tasks, trust activities and small team challenges. Since then, we have studied swimming and water safety before moving on to surfing, which is our major theme this term. Over the past week, students have been working in small teams to develop and present a short ten minute lesson based on a surfing related topic, including: beaches, rips and currents, types of waves and how waves are formed, the history of surfing, nearby surfing locations, equipment changes over time, surfing skills, etiquette and safety, the local marine environment, and the surf industry. As part of the practical component of this subject, students recently participated in two surfing lessons with Go Ride A Wave, the first of which was held at Urquart’s Bluff near Anglesea, and the second at Ocean Grove. The progress made by the entire group was remarkable with each student catching and riding at least a few waves over the two sessions. Next week we’ll be surf kayaking at Cosy Corner in Torquay and hope to visit the Surf World Museum to round out the unit. (Please note; this excursion is scheduled for Wednesday 26th March in place of the canoeing trip.) All students are expected to keep a journal as a form of documenting and reflecting on their participation in practical activities. Lastly, please keep in mind the dates for our overnight hike planned for Week 2 of Term 2. The trip will take place in the Great Otway National Park between Johanna Beach and Cape Otway from Wednesday 30th April to Friday 2nd May. More information will be provided in due course.

Brent Hodges
Year 10 Outdoor Education
Year 10 Camps – Expression of Interest

As part of the Year 10 Program, we are offering our students the opportunity to attend two camps: New Zealand Ski Trip or the Central Australia Experience.

Year 10 students are invited to collect a letter from the office after registering their expression of interest with either Mr Hassett (Snow Riders Camp) or Mr Alexander (Red Trekkers Camp).

Interschool Sports

The Senior Volleyball Teams competed in the Geelong interschool sports on Friday March 14th. The boys had a win, a draw and a loss, and the girls managed one win and 2 close losses. Students represented the college values and are to be congratulated on their sportsmanship and participation.

-Aaron Hassett
Literacy and Numeracy Update

This year is well on the way with some exciting things happening in Literacy and Numeracy. Teachers are beginning to prepare all Year 7 & 9 students for NAPLAN testing from May 13-15 (if you don’t wish your child to be tested please contact their TLC teacher prior).

All students are receiving regular homework in Maths and English (and all their other subjects!) and need to ensure they have a dedicated study time and space at home to keep up to date.

Numeracy

New Maths Extension Program is available to students in Year 7 and 8. This is an opportunity for students to demonstrate their skills in Maths by competing in nationwide competitions. If your child is interested please contact Sarah King or Nick Owusu.

Maths help for all students is available after school on Tuesdays until 4:45 and Thursdays, during session 4, is also another time for Year 11 and 12 students to get help. These sessions are held in 406.

The next Year 12 Further Maths SAC will be held in 311 from 1:50pm until 3:20 on April the 3rd. This is the last Thursday of Term 1.

Literacy

Our VCE English students have completed their first SACs on texts being studied in term one, Maestro (Year 11) and No Sugar (Year 12).

English help for all students is available after school on Tuesdays until 4:45 and Thursdays, during session 4, is also another time for Year 11 and 12 students to get help. These sessions are held in 404.

Year 7-10 students are developing their reading skills with our Literacy Circles program.

On Demand testing for Reading has begun for our Year 7-10 students.

Students are learning the importance of having a broad academic vocabulary to ensure success in all their subjects, not just English.

If you would like to better support your student’s learning in Numeracy and Literacy, visit our website and download our Parents’ Guide http://www.larasc.vic.edu.au/curriculum/

Kate Ivermee (Numeracy Leader) & Monica Golding (Literacy Leader)

‘Like’ us on Facebook!

We’ve recently created a Lara Secondary College official Facebook page, www.facebook.com/LaraSecondaryCollege. ‘Like’ us to keep in touch with some of the fantastic events happening at our college and to celebrate the achievements of our students. You’ll already find photos of the Year 8 Camp, the Senior Years Information Evening, Year 10 Fit to Play Surf camp, the Swimming Sports and our newly appointed School Captains.

Kelly Butler ICT Admin Leader & Sarah Foley Student Learning Leader

Art Workshop

Last week 10 Be Creative were fortunate enough to have an artist workshop booked at Lara Secondary College. We invited Aboriginal artist Nicholas Boseley to run a two-hour arts workshop. Nicholas is currently the senior curator for the Koorie Heritage Trust Inc. and works with the Torquay based arts centre Narana Creations.

The workshop included viewing and discussion of traditional Aboriginal art works painted on bark using ochre. Nicholas then held a cultural discussion and gave his insight on Aboriginal history, traditions and ceremonies. He explained how his grandmother was part of the stolen generation and how she was brought to Adelaide as a young girl. We then all got a chance to try out some traditional painting techniques. The workshop was a really valuable part of our cultural art appreciation unit and we hope to continue this partnership with Narana Creations.

“I really enjoyed the workshop, and if the opportunity came up, I would definitely do it again” - Scott

“The workshop was very interesting and it was good to get a perspective of the Aboriginal culture and history from an indigenous artist. It was a great opportunity to be able to paint our own boomerang.” – Tanisha

“I think that the Aboriginal Culture workshop was intriguing. Nicholas gave us knowledge that was unknown to us before. It was really interesting to hear about the stolen generation from his perspective and appreciate the artworks he showed us.” – Jazz
1. MORE 'AT MONASH' DATES – Architecture (Caulfield) Tues 29 April; Interior Architecture (Caulfield) Wed 30 April; Psychology (Clayton) Thurs 1 May; Medicine and Biomedical Science (Clayton) Tues 6 May; Law (Clayton) Wed 7 May. More dates and booking: www.monash.edu/seminars.

2. AUSTRALIAN CATHOLIC UNIVERSITY (ACU) – ACU is a publicly funded university, open to all. It has campuses in Ballarat, Melbourne, Brisbane, Sydney and Canberra, with a new one in Adelaide. It has about 24,000 students and is recognised for its supportive and nurturing environment and close links with industry. This year, first preferences increased by 5.7% in Victoria, and 7.4% ACU wide. ACU offerings are set to expand further with the introduction of new courses and facilities (eg. expecting a Bachelor of Biomedical Science and a Bachelor of Early Childhood Education (Birth-5) at Melbourne campus in 2015). The Melbourne campus is to have renovations, and a new building is to be constructed on a vacant block at the corner of Victoria Parade and Brunswick Street, Fitzroy.

3. CHECK OUT LA TROBE UNIVERSITY IN THE HOLIDAYS – ‘Experience La Trobe’ takes place in April, June and July each year. The event is structured around discipline-based workshops. This is a great chance for future students to chat to La Trobe staff, to be a university student for a day, and to pick up course information. The first event for 2014 is on Friday 11 April (Melbourne campus). For details, other campus dates, and to book see: www.latrobe.edu.au/experience.

4. CHECK OUT THE UNIVERSITY OF MELBOURNE IN THE HOLIDAYS - 'A Day at Melbourne' will be of interest to anyone considering studying there; an opportunity to explore the Parkville campus and find out about study options. Hear from current students, find out about entry requirements, course structures and other opportunities (can include a tour of the Southbank campus, Victorian College of the Arts). When: 10am-3.30pm, Fri 11 April; Register: www.futurestudents.unimelb.edu.au/events, or call 13 MELB for information.

5. VICTORIA UNIVERSITY (VU) NEWS –
   - VU, with its main campus in Footscray, had an increase in the number of first preferences in the 2014 VTAC first round offers. Some highlights were the B. Sport and Exercise Science which had a Clearly-In ATAR of 75. VU, with its committed partners Western Bulldogs, Melbourne Vixens and the Australian Institute of Sport, ensure that students are exposed to elite practices; Osteopathy, Biomedical Science and Paramedics had Clearly-In ATARs between 75 and 80; Law had a Clearly-In ATAR of 80. VU is the only Australian Law School to offer Court Internships.
   - SCHOLARSHIPS FOR EXCELLENCE – The inaugural VU Chancellor’s Scholarships for Excellence were awarded to fifty-four students from schools across the state who qualified for the new scholarship with an ATAR over 90. These high achievers will receive leadership training, individual mentoring by corporate leaders and internship opportunities. These new scholarships complement the university’s existing Achievement and Access Scholarships. See: www.vu.edu.au/scholarships.

6. UNIVERSITY OF CANBERRA AT HOLMESGEN INSTITUTE – Did you know that it is possible to obtain a University of Canberra degree, studying in Melbourne through Holmesgen Institute? For example, this year Holmesgen is offering the University of Canberra’s Bachelor of Interior Architecture. The program will give students the skills to plan design, detail and supervise the construction of industrial, retail and residential building interiors. See: http://www.canberra.edu.au/melbourne.

7. CONSIDERING BECOMING A TEACHER? All Australian education ministers have agreed to national standards and procedures for accrediting initial teacher education programs. The Accreditation of Initial Education Programs in Australia: Standards and Procedures are currently being implemented by the Victorian Institute of Teaching (VIT) through the accreditation of initial teacher education programs. Included in the policy are requirements that relate to the entry standards for students commencing initial teacher education courses. One of these requirements is that students are in the top 30% of the population for literacy and numeracy achievement. Tertiary institutions that offer initial teacher education programs may still admit students who do not meet this standard at their discretion, but they must ensure that students meet the benchmark by the time they graduate. Further info: www.aitsl.edu.au/ite.

8. SO YOU WANT TO BECOME AN ACCOUNTANT? Accountants analyse financial dealings of organisations, and give advice about meeting legal requirements and the keeping of financial records. Some specialise in certain areas such as auditors, investment analysts, cost accountants and taxation agents. Accountants qualify by studying at university for a Bachelor of Business or a Bachelor of Commerce with a ‘major’ in accounting, or a Bachelor of Accounting. When selecting the degree you wish to study, it is important to check that it is possible to study for an accounting ‘major’ in that particular degree. Some universities require Units 3 & 4 Maths Methods as a prerequisite (Melbourne and Monash - Clayton campus), Monash (Caulfield and Peninsula campuses) requires any Maths, while other universities (eg ACU, Deakin, Swinburne, La Trobe, RMIT & VU) have no maths requirement. With some further study, graduates can qualify for entry to the Institute of Chartered Accountants in Australia (ICAA) CPA Australia or the Institute of Public Accountants (IPA). Some universities offer scholarships to study accounting. For example, Monash University offers the Bachelor of Accounting with a $16,000 scholarship, industry placements, and mentoring. Swinburne University offers the Bachelor of Business (Vice-Chancellor’s Scholarship) where a major in accounting can be studied, and similarly in the Bachelor of Commerce (Chancellor’s Scholars Program) at the University of Melbourne.
A massive and heartfelt thank you goes to the wonderful businesses (listed below) who have offered work experience to Lara Secondary College students over the last few years. Many places have hosted students more than once and their time, effort and patience are much appreciated.

The Work Experience Program, which provides students with such a valuable opportunity to explore future pathways, is only possible through...

Have You Heard?

Invitation to the Australian Defence Force Academy (ADFA) Roadshow.

Date: Monday 31st March 2014
Time: 6:00pm – 7:30pm
Location: 501 Swanston Street, Melbourne,
Meeting Place: Level 14 Reception area

This session is suitable for students from Years 10-12. This is an information night different to our regular ADFA Information Sessions – we will have special guests from ADFA and the University of NSW (UNSW) in Canberra, and it is an opportunity for students to get a better understanding of the academy.

RSVPs are essential so email to reserve a seat/s by Friday 28th March 2014 : CPTVIC@dfr.com.au

Nikki Manning
Regional Activity Co-ordinator

DEFENCE FORCE RECRUITING

The Body Shop - Geelong
Kieren McGrath Bricklaying
Barwon Water - Geelong
Good Games – Geelong
Ishkar Beauty – Bell Park
SH Plumbing - Belmont
NSG Plumbing – Sth Melbourne
JWP - Lara
LIBRARY NEWS
Some of our new arrivals (Traditional format books)
Many new books have recently been processed. Do check out the display stands.

STUDENT ID CARDS
All students who had their photo taken should now have their new ID cards. Just a friendly reminder, keep your ID on you. Photo ID outside of school is required more and more. Students need their ID at school to borrow and to come into the library at lunchtime. Keep old cards as a spare. Replacement cards cost $5. If you need your photo taken for a new ID come to the library at recess or lunch time. New cards ordered usually arrive within 5 working days.

OVERDUE BOOKS FROM LAST YEAR
A big thank you to parents and carers for your help in getting loans from last year returned. When long overdue items turn up in the return slot it really makes our day. I appreciate the email replies about books that are lost. We can then update our records accordingly.

SPINE CRACKERS BOOK CLUB
We meet in the library at recess the first Thursday of every month. New members are always welcome. We are all reading The Book Thief at the moment and plan to watch the movie early next term. The feedback so far is that it is a very good read. We usually read something different each term followed by a fun activity.

TOP READS AT LARA SC THIS TERM
To meet demand we now have 19 copies of The Book Thief. All 5 copies of The Fault In Our Stars are currently on loan.

If you’d like to read, do reserve a copy as these titles are being returned on a regular basis.
RECOMMENDED READING

**JFK: The Smoking Gun by Colin McLaren**
I liked it because it explains before he died and his final moments. Also how they now believe there was another guy involved. There was only one question I wanted to know was ... Why was JFK assassinated?
Mekhal M 7G

**The Gift of Kindness: inspiring true stories of rescued farm animals by Pam Ahern**
Some stories change your life, some events change your life, but a single act of kindness can save a life. This story changed my life, once I read this book it made me feel very happy about what had happened after the animals were taken in.
Ebony W 7B

eReading
We are in the process of establishing an OverDrive digital library at Lara SC. It should be up and running by the start of next term. Watch this space for some exciting news about expanding our collection of eBooks.
