All families are welcome to attend. Please speak to Miss Newman if you want more information.

Head Lice - All Year Levels
There has been an outbreak of Head Lice; can parents please be vigilant in checking their children’s scalps. Medications for this can be purchased at the chemist to assist with breaking the cycle. Please click Link for more information.

Parking
City of Greater Geelong Council has become increasingly aware that parents have been parking next to the school’s car park on the nature strip/road when picking up and dropping off their children. Another area of concern is that parents are not parking in the designated parking bays in the car park area. Parents, please be aware that C.O.G.G will now be issuing fines to anyone not parking in the designated parking bays. Thank you.

Student safety and our shared responsibilities:
- Department of Education regulations reinforce the importance of ensuring that we know at all times who is on the school grounds, so it is essential that all parents or visitors to the school MUST sign in through the office.
- If you are a visitor to the school or are coming to collect your child please ensure you proceed straight to the general office. The office will organise for your child to come to the office so that you can collect them.
- Similarly, we would ask that you bring any items that students need to the office and not arrange to meet them in the yard or outside the school as students are expected to remain on school grounds at all times.
