

25th August 2023

Dear Parent/Guardian,

Lara Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Lara Secondary College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to create and build a better learning environment for the students over the past few years by providing outstanding facilities, services and programs such as:

- Modern outside Basketball Courts
- Upgraded landscaping within the College grounds
- Painting & maintenance of all College buildings
- Modern classroom learning technology facilities
- Computer Labs with Mac Desktops
- Access to student welfare programs
- Specialist software programs
- Student ID cards
- Athletics & Swimming carnivals
- Printing and photocopying of learning materials
- Motivational learning programs & Keynote speakers
- Structured student leadership programs (Years 7-12)

Such development and support from families connected with the college over the past few years has enabled us to provide an outstanding secondary curriculum program for our students from Years 7 – 12. It has also contributed to raising our profile within the local community as one of the most preferred Government Secondary Colleges in Geelong. I therefore wish to thank all families in anticipation of their ongoing financial support of the College.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Luke Skewes
Principal

School Council President
